

About Ucoopia

500 characters

Ucoopia is Europe's first inter-university NGO, formed from the merger of Eclasio and ULB-Coopération. Together with ULiège, ULB and UMONS, it develops innovative projects in 10 countries across 4 continents. The NGO operates in four key areas: sustainable agriculture and natural resource management, youth employment, healthcare systems and global citizenship. Its unique approach: building bridges between academic and local knowledge to develop sustainable solutions.
